Walchand Institute of Technology, Solapur

N.S.S. Report : 2025-26

The National Service Scheme (NSS) Unit of Walchand Institute of Technology, Solapur, established in the academic year 1998–99, has been actively engaged in various social and community service activities. Continuing this legacy, the NSS Unit carried out several impactful initiatives during the academic year 2025–26 with active participation from students across all departments.

At the beginning of the academic year, a **dedicated team of 150 NSS volunteers** was formed under the guidance of the Programme Officer and the NSS Secretary. Responsibilities were assigned to ensure smooth execution of activities, with a vision to promote social awareness, environmental sustainability, and leadership among students.

On **25th September 2025**, a **Mock Drill Training** on disaster management was organized by Seva Bharti Maharashtra. NSS volunteers actively participated in this training, focusing on preparedness and responsibility during emergency situations.

On **2nd October 2025**, NSS Unit celebrated **Gandhi Jayanti** and **Lal Bahadur Shastri Jayanti**. On this occasion, a **Swachhata Abhiyan** was conducted on the college campus. NSS volunteers also cleaned and renovated the NSS office, making it functional for student activities. The newly renovated NSS office was inaugurated with the celebration of **Dussehra**, spreading awareness about cultural values and traditions.

An innovative activity titled **"Best from Waste"** was conducted, where plastic bottles were reused to create an "NSS" structure with the NSS logo. This structure, installed near the college gate, promotes sustainability and environmental awareness.

To promote environmental consciousness, **Plantation Drives** were organized throughout the year, including large-scale plantation during the NSS Seven-Day Camp, where more than **800 trees were planted**.

The NSS Unit organized two **Blood Donation Camps** during the academic year. The first camp was conducted on **14th October 2025**, where awareness was created through innovative methods such as **jamming sessions and social media reels**. The second camp was organized on **13th March 2026**, where awareness activities included **Pathnatya (street play) and dance performances**, encouraging active participation from students. A total of **630 bottles of blood** were collected through both camps. The NSS Unit was also honored with **trophies and appreciation** from multiple blood banks, including the Civil General Hospital Blood Bank, Ashwini Hospital Blood Bank, Hedgewar Blood Bank, and Damani Blood Bank, in recognition of its significant contribution towards this noble cause.

On **14th January 2026**, an **E-Waste Awareness Session and Collection Drive** was conducted in collaboration with Prithvi Zero Waste Foundation, where experts delivered an informative session on responsible e-waste disposal, followed by a collection drive. The NSS Unit was recognized with a **certificate and trophy** for its contribution to environmental sustainability.

On **5th February 2026**, a **Platelet Donation Awareness Program** was organized, where a session was conducted by **Mr. Vishwajit Khasid**, a global record holder and TEDx speaker. The session highlighted the importance and life-saving impact of platelet donation.

A **Pathnatya (Street Play) on Road Safety** was conducted in collaboration with the **Rotary Club of Solapur** and **RTO Solapur**, where NSS volunteers actively participated and delivered a powerful message on road safety awareness.

In **December 2025**, the NSS Unit organized a **Seven-Day Residential Camp**, in which 21 volunteers actively participated despite semester break. The camp included various activities such as cultural programs, motivational sessions, group discussions, and leadership development activities. A significant achievement of the camp was the plantation of more than **800 trees**, contributing to environmental sustainability and team bonding.

On **24th March 2026**, NSS volunteers actively carried out a **student registration drive on the MyBharat Portal**, where more than **700 students** were successfully registered. This initiative aimed to connect youth with national-

level opportunities and encourage active participation in nation-building activities.

On **9th April 2026**, NSS volunteers took an initiative for **Animal and Bird Welfare** by placing **food and water bowls** across the college campus to support animals and birds during the summer season.

To strengthen bonding among volunteers, a **Khel Mahotsav** was also organized, promoting teamwork, sportsmanship, and active participation among students.

All these activities contributed significantly towards the overall development of students by enhancing their leadership qualities, communication skills, and sense of social responsibility.

Finally, I would like to express my heartfelt gratitude to our Hon. Secretary Dr. Ranjeetbhai Gandhi and the trustee members of S.A.P.D. Jain Pathashala, Solapur, for their constant support and encouragement. I am also sincerely thankful to our beloved Principal Dr. V. A. Athavale for his valuable guidance. I extend my gratitude to all department faculty coordinators — Prof. Mahesh Mahant, Prof. Ganesh Agalave, Prof. Supriya Konda, Prof. Sidram Aursang, Prof. Dipali Wadkar, and Mr. Sunil Junavane — for their continuous support in organizing all the N.S.S. activities. I would also like to acknowledge the guidance and leadership of our Programme Officer, Dr. P. N. Kathavate, whose continuous support and guidance has been instrumental in the successful execution of all activities.

(Prajyot Wadewale)
NSS Secretary
